For The Children Lewiston

Royal Family KIDS Inc. is now called For The Children. While the organization has been dedicating time, talents, and treasures to help vulnerable children through Royal Family KIDS Camp for the past 30 years, the breadth of the organization has evolved above being only about camps and mentoring. This transition sought to promote to new opportunities, such as direct trauma intervention, advocacy, fostering, adoption, parental support, and other wrap around services.

The Lewiston chapter of Royal Family KIDS Camp is still active, and thriving! However, our branding is now tied to For The Children, so the email and website have changed. Please use the information below to learn about Camp, or to get a hold of us!

Prayer Requests

As the holidays near, please be in prayer for our little campers. Many of our campers are not in stable and loving homes, and do not know if they will have good holidays. Please pray that the love of God that they learned at RFKC will sustain them through the year, until they can be with their Royal Family in the summer of 2024!

There are new ways to help support camp!

Camp Directors

Matt and Cicily Zornes have been on the Core Team for RFKC Lewiston since 2011, and have been directing camp since 2013.

They have a passion for camp that they will talk about for hours, with anybody! Sometimes their love of camp leaks from their eyes when they share their experiences.

Matt and Cicily hope to one day retire as Camp Directors, and move into the role of Grandma and Grandpa at camp so they can continue to impact the lives of hurting children for years to come!
